

COVER LETTER

February 7th,2023

(The HR/HR Name)

(Company Name)

(Company Address)

Dear (HR Name)/The HR,

I recently saw a job posting for the profile of (Profile Name) on (job portal Name), also I noticed that the eligibility criteria described fits me well which grabbed My attention. Hence, I decided to apply for the same as I would be an ideal match for the profile of (Profile Name).

In the field of (technology Name) I have been working since last six months in Softpro India Computer technologies Pvt- Ltd, - Lucknow as a Software Developer Trainee where I have developed minor and major live Projects. As my experience aligns with the respective job role, kindly consider this as my job application.

To have a mutch detailed analysis of my academic and professional experience please find mine CV attached with this letter.

Looking forward to your response,

Yours sincerely,

Dipti Singh
